of a beneficiary of the company's services or receiving reasonable remuneration for any goods or services supplied to the company.

PART 2

DIRECTORS

DIRECTORS' POWERS AND RESPONSIBILITIES

6. Directors' general authority

(1) Subject to the articles, the directors are responsible for the management of the company's business, for which purpose they may exercise all the powers of the company.

(2) No alteration of the articles or any special resolution shall have retrospective effect to invalidate any prior act of the directors.

7. Directors' power to set up committees

(1) The directors may delegate any of their powers or functions to a committee of two or more directors and the directors may at any time revoke or alter any such delegation.

(2) In addition to delegating their powers or functions to committees of the nature envisaged by article 7(1) above, the directors may also from time to time set up other committees, and these other committees may include non-directors and non-members and need not necessarily be chaired by, or even include, a director.

(3) In relation to any committee set up pursuant to article 7(2), the directors shall carefully consider the extent of that committee's remit and shall clearly communicate the extent of that remit to the committee in question. The directors may at any time alter that remit or disband such committee.

8. Procedural issues relating to committees

All committees set up pursuant to article 7 shall follow all rules of procedure laid down by the directors.

9. Rules

(1) The directors may from time to time make such reasonable and proper rules or bye laws as they may deem necessary or useful for the proper conduct and management of the company, save that no rule or bye law shall be inconsistent with or shall purport to repeal anything contained in these articles.

(2) The rules or bye laws may regulate (but are not restricted to) the following matters:-

- (a) the admission of members, the rights and privileges of members and the subscriptions and other fees or payments to be made by members (if any) and different categories of membership, associate membership etc;
- (b) the procedure at general meetings and directors' meetings insofar as such procedure is not regulated by these articles or the Companies Acts;
- (c) the conduct of members, employees and volunteers; and
- (d) generally all such matters as are commonly the subject matter of company rules.

(3) The company in general meeting has the power to alter, add to or repeal any of the rules or bye laws.

(4) The directors must adopt such means as they consider sufficient to bring the rules and bye laws to the notice of the members.

DECISION-MAKING BY DIRECTORS

10. Directors to take decisions collectively

The general rule about decision-making by directors is that any decision of the directors must be either a majority decision at a meeting or a decision taken in accordance with article 11.

11. Unanimous decisions

(1) A decision of the directors is taken in accordance with this article when all eligible directors indicate to each other by any means that they share a common view on a matter.

(2) Such a decision may take the form of a resolution in writing, copies of which have been signed by each eligible director or to which each eligible director has otherwise indicated agreement in writing.

(3) References in this article to eligible directors are to directors who would have been entitled to vote on the matter had it been proposed as a resolution at a directors' meeting.

(4) A decision may not be taken in accordance with this article if the eligible directors would not have formed a quorum at such a meeting.

12. Calling a directors' meeting

(1) Any director may call a directors' meeting by giving not less than 14 days' notice of the meeting to the directors or by authorising the company secretary (if any) to give such notice.

(2) Notice of any directors' meeting must indicate—

- (a) its proposed date and time;
- (b) where it is to take place; and
- (c) if it is anticipated that directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.

(3) Notice of a directors' meeting must be given to each director and must be in writing.

(4) The directors shall aim to hold at least 4 directors' meetings in each calendar year.

13. Participation in directors' meetings

(1) Subject to the articles, directors participate in a directors' meeting, or part of a directors' meeting, when—

- (a) the meeting has been called and takes place in accordance with the articles, and
- (b) they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.

(2) In determining whether directors are participating in a directors' meeting, it is irrelevant where any director is or how they communicate with each other.

(3) If all the directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

14. Quorum for directors' meetings

(1) At a directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.

(2) The quorum for directors' meetings may be fixed from time to time by a decision of the directors, but it must never be less than one-third of the directors or 3 of the directors, whichever is the greater number.

(3) If the total number of directors for the time being is less than the quorum required, the directors must not take any decision other than a decision—

- (a) to appoint further directors, or
- (b) to call a general meeting so as to enable the members to appoint further directors.

15. Chairing of directors' meetings

(1) The directors shall appoint a director to chair their meetings, and the person so appointed for the time being shall be known as the chairman. Subject to article 15(2), chairmen shall be appointed for a fixed term of 2 years, although a chairman may be re-appointed for one or more further 2 year terms at the expiry of the previous fixed term.

(2) The directors may remove a person as chairman before the end of his or her fixed term if at least 75% of the directors (not including the chairman) consider that it would be in the best interests of the company for them to do so, but no decision to remove a person as chairman shall be taken before that person has been given a reasonable opportunity to make oral and written representations to the other directors and the other directors have had an opportunity to consider these.

(3) If the chairman is not participating in a directors' meeting within ten minutes of the time at which it was to start, the participating directors must appoint the vice chairman to chair the meeting if a vice chairman has been chosen and is at the meeting and willing to chair it, failing which the directors must appoint one of themselves to chair the meeting.

16. Casting vote

(1) If the numbers of votes for and against a proposal are equal, the chairman or other director chairing the meeting has a casting vote.

(2) But this does not apply if, in accordance with the articles, the chairman or other director is not to be counted as participating in the decision-making process for quorum or voting purposes.

17. Declaration and conflicts of interest

(1) A director must declare the nature and extent of any interest which he or she has in an actual or proposed transaction or arrangement with the company and must absent himself or herself from any discussions in which a conflict may arise between his/her duty to act solely in the interests of the company and any personal interest.

(2) If a conflict of interests arises for a director because of a duty of loyalty owed to another organisation or person (other than one involving a direct or indirect benefit to that director) and the conflict is not authorised by virtue of any other provisions in these articles, the unconflicted directors may authorise such a conflict if (a) the conflicted director is absent from the part of the meeting at which there is discussion of any arrangement or transaction affecting that other organisation or person, (b) the conflicted director does not vote on any such matter and is not counted when determining whether there is a quorum and (c) the unconflicted directors consider it to be in the interests of the company to authorise the conflict in the circumstances.

(3) Subject to paragraph (4), if a question arises as to the right of a director to participate in a meeting for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.

(4) If any question as to the right to participate in a meeting should arise in respect of the chairman, the question is to be decided by a decision of the directors at that meeting, for which purpose the chairman is not to be counted as participating in the meeting for voting or quorum purposes.

18. Records of decisions to be kept

The directors must ensure that the company keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the directors.

19. Directors' remuneration

- (1) Directors may undertake any services for the company that the directors decide.
- (2) Directors are entitled to such remuneration as the directors determine—
 - (a) for their services to the company as directors, and
 - (b) for any other service which they undertake for the company.
- (3) Subject to the articles, a director's remuneration may—
 - (a) take any form, and
 - (b) include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that director.

20. Directors' expenses

The company may pay any reasonable expenses which the directors properly incur in connection with their attendance at directors' meetings, general meetings, or committee meetings or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the company.

APPOINTMENT, NUMBER, RETIREMENT, TERMINATION OF APPOINTMENT OF DIRECTORS

21. Methods of appointing directors

- (1) Subject to the other provisions of this article 21 and to article 22, the company may by ordinary resolution appoint a person who is willing to act as a director.
- (2) All director appointments shall be for a fixed term of 2 years, although for the avoidance of doubt a director may resign before the end of that fixed term, PROVIDED ALWAYS that a director who comes to the end of a fixed term of office or purports to resign early shall remain as a director if the effect of that person ceasing to be a director would be to cause the company to cease to comply with article 22, in which case that director shall only cease to be a director once one or more additional directors have been appointed such that the company will be complying with article 22 even after the director who is stepping down ceases to be a director.
- (3) No person other than a director automatically retiring at the end of his or her fixed term of office may be appointed as a director at any general meeting unless either (a) that person is recommended for election by the directors or (b) not less than 7 days nor more than 35 days before the date of the relevant general meeting the company is

given a notice signed by a member stating that member's intention to propose the appointment of a person as a director and is also signed by the proposed appointee.

(4) No person may be appointed to act as a director unless he or she is either (a) an authorised representative of a member or (b) an individual who is Independent (an "**Independent Director**") PROVIDED ALWAYS that no person may be appointed as an Independent Director if after that person's appointment more than 25% of the directors would be Independent Directors.

(5) No person may be appointed to act as a director if this would result in a member having more than one representative on the board of directors.

(6) The directors may co-opt a person who is willing to act to be a director provided that at any one time there are no more than 3 co-opted directors. Any co-opted person must retire at the next annual general meeting following his or her co-option, although he or she shall be eligible for re-election if article 21(3) is complied with in relation to that person.

22. Number of directors

The number of directors shall not be less than 5 nor more than 9.

(d) notification is received by the company that the director is resigning from office, and such resignation has taken effect in accordance with its terms.

(e) that person is removed from office by a resolution passed pursuant to section 168 of the Companies Act 2006;

(f) that person (or its authorised representative) fails without reasonable excuse to attend three consecutive board meetings;

(g) two-thirds of the directors vote to remove that person from office on any ground PROVIDED THAT that person has been given an opportunity to be heard at a directors' meeting;

(h) in the case of a director who is an authorised representative of a member, that member ceases to be a member; or

(i) in the case of a director who was appointed as an Independent Director, that director ceases to be Independent.

- (a) that person has completed an application for membership in a form approved by the directors,
- (b) the directors have approved the application, and
- (c) that person confirms that it will commit to the Standards & Guidance (or in the case of an individual who represents an organisation which does not have a corporate identity, that individual confirms that the organisation concerned will commit to the Standards & Guidance).

(2) The directors shall from time to time prescribe criteria for membership but shall not be obliged to accept as members all persons who fulfil those criteria.

(3) No individual (as distinct from a corporate organisation) other than a subscriber to the company's memorandum of association may become a member unless he or she represents an organisation which meets the criteria for membership but which does not have a corporate identity that is separate from its governing body or its membership, in which case an individual may be approved as a member in his/her capacity as a representative of the organisation concerned.

(4) The directors may at their discretion levy subscriptions and/or registration fees on members at such rate or rates as they shall decide.

(5) The directors may approve an application for an organisation which aspires to, but does not yet, meet the criteria for membership to become an observer member. Observer members do not have any voting or other powers but shall be entitled to attend members' meetings.

25. Register of members

The directors shall keep a register of names and addresses of the members.

26. Termination of membership

(1) A member may withdraw from membership of the company by giving 6 months' notice to the company in writing.

(2) Membership is not transferable.

(3) A person's membership terminates when that person dies or (in the case of an organisation) ceases to exist.

(4) The directors shall have the right to terminate the membership of any member if in their reasonable opinion that member is not committed to the Standards & Guidance and/or has been acting in a manner which is in conflict with the company's objects and/or which could bring the company into disrepute PROVIDED ALWAYS that the member concerned shall have a right to be heard before a final decision is made. Where a complaint against a member is under investigation the directors may temporarily suspend that person's membership pending the outcome of the investigation.

(5) Failure to pay any subscription or any other sum due to the company within 60 days of it falling due shall result in the disqualification of the relevant member.

GENERAL MEETINGS

27. Calling general meetings

(a) The company shall hold an annual general meeting once in every calendar year.

(b) The directors may also call an extraordinary general meeting at any time.

(c) At least 14 days' notice of the date of any general meeting shall be given to all members, except that a general meeting may be called by shorter notice if it is so agreed by a majority in number of members who together hold not less than 90% of the voting rights.

(d) The notice must state the date, time and place of the meeting and the general nature of the business to be conducted, and if the meeting is to be an annual general meeting the notice shall state this. The notice must also contain a statement setting out the right of members to appoint a proxy.

(e) The notice must be given to all members and to the auditors (if any).

28. Attendance and speaking at general meetings

- (2) A person is able to exercise the right to vote at a general meeting when—
 - (a) that person is able to vote, during the meeting, on resolutions put to the vote at the meeting, and

- (3) The directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.
- (4) In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.
- (5) Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

29. Quorum for general meetings

30. Chairing general meetings

- (1) If the directors have appointed a chairman, the chairman shall chair general meetings if present and willing to do so.
- (2) If the directors have not appointed a chairman, or if the chairman is unwilling to chair the meeting or is not present within ten minutes of the time at which a meeting was due to start the directors present must appoint the vice chairman to chair the meeting if a vice chairman has been chosen and is at the meeting and is willing to chair it, failing which they must appoint another director or a member to chair the meeting, and the appointment of the chairman of the meeting must be the first business of the meeting.
- (3) The person chairing a meeting in accordance with this article is referred to as "the chairman of the meeting".

31. Attendance and speaking by non-members

Directors may attend and speak at general meetings, and the chairman of the meeting may permit other persons who are not members of the company to attend and speak at a general meeting.

32. Adjournment

- (1) If the persons attending a general meeting within half an hour of the time at which the meeting was due to start do not constitute a quorum, or if during a meeting a quorum ceases to be present, the chairman of the meeting must adjourn it.
- (2) The chairman of the meeting may adjourn a general meeting at which a quorum is present if—
 - (a) the meeting consents to an adjournment, or
 - (b) it appears to the chairman of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.
- (3) The chairman of the meeting must adjourn a general meeting if directed to do so by the meeting.

 - (b) have regard to any directions as to the time and place of any adjournment which have been given by the meeting.

- (2) Each member shall have one vote.

34. Errors and disputes

- (1) No objection may be raised to the qualification of any person voting at a general meeting except at the meeting or adjourned meeting at which the vote objected to is tendered, and every vote not disallowed at the meeting is valid.

(2) Any such objection must be referred to the chairman of the meeting whose decision is final.

35. Poll votes

For the avoidance of doubt, the provisions of the Companies Acts relating to the right to demand a poll shall apply.

36. Proxy voting

For the avoidance of doubt, the provisions of the Companies Acts relating to the right to appoint proxies shall apply.

37. Amendments to resolutions

(1) An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if—

- (a) notice of the proposed amendment is given to the company in writing by a person entitled to vote at the general meeting at which it is to be proposed not less than 48 hours before the meeting is to take place (or such later time as the chairman of the meeting may determine), and
- (b) the proposed amendment does not, in the reasonable opinion of the chairman of the meeting, materially alter the scope of the resolution.

(2) A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if—

- (a) the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed, and
- (b) the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.

(3) If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.

WRITTEN RESOLUTIONS

38. Written resolutions

A resolution in writing agreed by a simple majority (or in the case of a special resolution by a majority of not less than 75%) of the members who would have been entitled to vote upon it had it been proposed at a general meeting shall be effective provided that:

- (a) a copy of the proposed resolution has been sent to every eligible member,
- (b) a simple majority (or in the case of a special resolution by a majority of not less than 75%) of members has signified its agreement to the resolution, and
- (c) each member's agreement is contained in an authenticated document which has been received by the company within 28 days after (and including) the date on which the resolution was circulated.

PART 4

ADMINISTRATIVE ARRANGEMENTS

39. Means of communication to be used

(1) Subject to the articles, anything sent or supplied by or to the company under the articles may be sent or supplied in any way in which the Companies Act 2006 provides for documents or information which are authorised or required by any provision of that Act to be sent or supplied by or to the company.

(2) Subject to the articles, any notice or document to be sent or supplied to a director in connection with the taking of decisions by directors may also be sent or supplied by the means by which that director has asked to be sent or supplied with such notices or documents for the time being.
